## **DETAILED ACTION**

This Office action is in response to applicant's RCE filed on 01 November 2005.

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's amendment filed on 01 November 2005 has been entered.

### ***Allowable Subject Matter***

2. Claims 1-17 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Art Unit: 2813

- Claims 1-14 are allowed because the prior art of record does not teach or suggest, in combination with the other claim limitations, a method for forming silicide that includes the step of forming an epitaxial layer on a semiconductor surface together with forming residues of the epitaxial layer on an insulation surface, combined with the step of removing the residues together with a portion of the insulation surface, wherein the removal rate of the insulation surface is higher than a removal rate of the epitaxial layer; and
- Claims 15-17 are allowed because the prior art of record does not teach or suggest, in combination with the other claim limitations, a method for forming silicide that includes the step of forming an epitaxial layer on a silicon substrate and on an upper surface of a polysilicon gate electrode together with forming residues of the epitaxial layer on an insulation spacer, combined with the step of etching the residues together with a portion of the insulation spacer, wherein the removal rate of the insulation spacer is higher than a removal rate of the epitaxial layer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
